

LETTER OF APPRECIATION

Dear Mr Ronald Aw,

We will like to take this opportunity to express our gratitude to you and your staff for the efficiency and promptness in settling my house renovation in a professional manner.

It was truly a commendable performance by all the hardworking staff of yours. We deeply appreciate for all the hard work put in. The staff willingness to spend time to assist us in completing our house renovation is simply remarkable.

We will be honoured to recommend our relatives and friends to engage your company service if there is a need for them to renovate their house. I felt very fortunate to have Ritchie Creative Design, whose staffs are sincere, patience, hardworking and delicate staff who works with great enthusiasm and commitment.

Thank you.

Yours Sincerely,

Toh Eng Chye (Mr)
